Extent of Obligation & Limitation of Liability Waiver

Zoetis takes great pride in successfully completing shipments domestically and internationally for our customers. For decades we have assisted our customers in producing puppies all around the world. In consideration of circumstances beyond our control, we require this liability waiver be read and signed for all of our shipments.

Your business is greatly appreciated!

- a) Semen or Stud Dog Owner is financially responsible for the payment of all fees, including DNA testing charges by the performing veterinary hospital.
- b) Zoetis shall not be responsible for loss or accidental thawing of semen which results from storage tank failure, from any act by non-employees of Zoetis who may be retained to transport semen, or from any acts by employees or agents of Zoetis unless such acts constitute gross negligence, or from any other cause beyond the reasonable control of Zoetis. If such event occurs, Zoetis' sole liability will be to return any prepaid fees related to the shipment.
