## Extent of Obligation & Limitation of Liability Waiver

Zoetis takes great pride in successfully completing shipments domestically and internationally for our customers. For decades we have assisted our customers in producing puppies all around the world. In consideration of circumstances beyond our control, we require this liability waiver be read and signed for all of our shipments.

Your business is greatly appreciated!

- a) Zoetis makes no representation or warranty that a successful whelping will result from any breeding. Zoetis strongly suggests that the OWNER use a Zoetis trained Veterinarian and discuss the post thaw data (as reported by the collecting vet) with the inseminating Veterinarian in making breeding unit decisions.
- b) Zoetis shall exercise reasonable care in storing semen and in training veterinarians to conduct inseminations. Aside from the obligation to exercise reasonable care, Zoetis shall not be responsible for acts of commission or omission by Veterinarians who are not employees of Zoetis, and Zoetis expressly disclaims any such liability.
- c) Zoetis shall not be responsible for loss or accidental thawing of semen which results from storage tank failure, from any act by non-employees of Zoetis who may be retained to transport semen, or from any acts by employees or agents of Zoetis unless such acts constitute gross negligence, or from any other cause beyond the reasonable control of Zoetis. If such event occurs, Zoetis' sole liability will be to return any prepaid fees related to the shipment.
- d) If we are requested to use a vapor shipper other than a Zoetis vapor shipper, Zoetis will not be responsible for any liability to return any prepaid fees related to the shipment.
